### 6.7.81 The Comet Public House

Hotel. 1933. By E B Musman. Red brick with stone dressings on steel frame. The plan is supposedly in the form an aeroplane.

Two storeys. Projecting centrepiece with rounded end, the ground floor projects beyond the first. Wings on either side, also half round, single storey only. Five window side elevations. Largely original steel framed windows, the two modern ones in the front elevations are openings in originally blank walls. Clipsham stone dressings strip above and below windows and to parapets. Flat roofs not visible, the original roof lantern has been removed. The interior has been altered. A pioneer hotel in the modern style.
