

Consultee Comment for planning application 6/2015/2173/FULL

Application Number	6/2015/2173/FULL
Location	37 Lambs Close, Cuffley, Potters Bar, EN6 4HD
Proposal	Erection of 2no two bedroom flats together with associated parking and retention of existing car parking spaces following demolition of existing garages
Case Officer	Mrs J Pagdin
Name	Carol Simpson
Address	Carol Simpson
Type of Comment	Comment
Type	Comment
Comments	<p>Please can more information be provided with regard to access to the bin store, pathways, dropped kerbs, etc to confirm how this bin store will be accessed. Additionally, there does not seem to be space for the collection vehicles to safely access, turn and then leave the site forwards, so please can tracking information be provided to confirm how this will be achieved. With regard to waste/recycling for the two proposed properties, the other flats in Lambs Close currently have a weekly refuse collection, however it would be beneficial to also provide recycling collections to these new properties, which can be achieved if they each have set of wheeled bins stored within the bin store. It would therefore need to easily accommodate six wheeled bins. Clarification required</p>
