<b>Comments</b>	<input type="text" value="There are concerns that the plans do not include sufficient parking provision. I note that the residents will be entitled to purchase three parking permits in a private parking area however, my understanding is that the purchase of a permit does not guarantee an available space. Furthermore, it has been confirmed that the roads surrounding the development will become adopted highway. This means that the permit scheme currently operating on the surrounding highway will no longer be in place."/>
