<b>Comments</b>	<input type="text" value="If planning permission is granted for occupancy in summer house to rear garden this would set a precedence to any future applications. Therefore should my neighbours either side of me - being current or future leave me totally overlooked this would not be acceptable and a breach of my privacy. This side of Astwick Avenue backs onto school playing field with no one overlooking. I am sure most people considered this high on their priority list when considering purchasing their properties. I anticipate further parking issues, noise and possible problems with our existing drains."/>
