Comments	<input type="text" value="Members object to the loss of a parking space in this part of Hatfield where parking is at a premium. Further the Hatfield Article 4 Direction desperately needs reviewing and this has been recognised by the LPA. Until such time that this has been carried out and bearing in mind that the overall concentration of HMOs in Hatfield Town Council's area needs to be reduced, no further HMOs should be permitted within the boundaries of Hatfield Town Council's area hence forth, permitting this garage to be converted will further exacerbate the increase in student/HMO accommodation in Hatfield."/>
