Comments	<p>The Northaw & Cuffley Parish Council wish to raise a major objection to application 6/2023/0374/FULL for the following reasons Tolmers Gardens was never intended to have increased traffic created by conversions to apartments. By adding an additional 4 apartments at number 11 with only 4 allocated spaces (that is less than planning policy allows) this again increases traffic and parking pressure. This is overdevelopment of the plot and this along with inadequate parking and further detrimental change of street scene is the reason for this major objection.</p>
