

Comment for planning application 6/2018/0804/FULL

Application Number	<input type="text" value="6/2018/0804/FULL"/>
Location	<input type="text" value="The Spinney High Road Essendon Hatfield AL9 6HT"/>
Proposal	<input type="text" value="Erection of 3 dwellings (1 x 3-bedroom and 2 x 4-bedroom) following the demolition of existing buildings"/>
Case Officer	<input type="text" value="Mr David Elmore"/>
Name	<input type="text" value="Jane Oram - Essendon"/>
Address	<input type="text" value="Bedwell End School Lane Essendon Hatfield AL9 6HL"/>
Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="Neighbour"/>
Comments	<input type="text" value="The Essendon Society supports the application for three properties on this site. We need medium sized homes for families within the village and support this development. The properties will have ample off road parking so their cars will not contribute to the parking issues in the village which is a big problem with previous developments. This application seems almost trivial by comparison to the proposals within our parish for 1200 new homes as part of Policy SP19 and the 650 already applied for as Policy SP18 adjoining our parish. It seems very hard to argue against one additional property at one end of the village while at the same time submitting a proposal for 1200 properties at the other end under the umbrella of the Draft Local Plan."/>
