<b>Organisation</b>	<input type="text" value="WHBC - Client Services"/>
<b>Name</b>	<input type="text" value="Lorraine Davis"/>
<b>Address</b>	<input type="text" value="Client Services The Campus Welwyn Garden City AL8 6AE"/>
<b>Type of Comment</b>	<input type="text" value="Comment"/>
<b>Type</b>	<input type="text"/>
<b>Comments</b>	<input type="text" value="24/05/2021 Lorraine Davis - Based on the floor plan only the bin requirements for the total development would be 15 x 1100l containers, 4 x Mini Recycling Centre which accept glass/cans and paper &amp; 12 x 240litre food waste bins. I note 3 bin store areas which are adequate to house the bins I have suggested and to allow for additional materials to potentially be added on for recycling at a later date. The freighter collection points look acceptable although drag distances are not shown and should not exceed 15m from store to freighter. Double doors opening outwards are good please ensure coded locks. Cost for these receptacles would be ?8495.64. Please see bin store guidance documents below for bin dimensions."/>
<b>Received Date</b>	<input type="text" value="24/05/2021 10:15:27"/>
