Comments	<p>If and when this development is to proceed Essendon Public Bridleway 18 Hornbeam Lane must be protected to its' present width and current surface condition. The bridleway must remain unobstructed by vehicles, machinery, materials, tools and any other aspects of the construction during works. The safety of the public (walkers, cyclists and horse riders) using the route must be a paramount concern during works, safe passage past the site must be maintained at all times, especially as this route forms part of the popular Hertfordshire Way promoted walk. The condition of the route must not deteriorate as a result of the works. Any adverse effects to the surface from traffic, machinery or materials must be made good by the applicant to the satisfaction of this Authority. All materials must be removed at the end of the construction and not left on the Highway or its' verges.</p>
