<b>Comments</b>	<input type="text" value="I have concerns that the access road is being reduced in width to reduce access for commercial vehicles. There would be a requirement for 3 refuse freighters to access the site at various times on a weekly basis. Please ensure that all properties have sufficient storage space for 3 wheelie bins. These must be stored on the property and then put out on the boundary the night before collection which can be seen clearly from the roadside."/>
