Comments	<p>The Residents Association fully supports objections to this application. I personally am very shocked by the degree to which the property at 43 Northaw Road East is now overlooked by number 45. Privacy is a fundamental human right enshrined in the Human Rights Act 1998. Public authorities must follow the Human Rights Act. Article 8 of the Act includes the right to respect for family and private life including the privacy of the home. We urge WHBC to refuse this application.</p>
