

# Comment for planning application 6/2017/1079/FULL

Application Number	6/2017/1079/FULL
Location	37 Lambs Close Cuffley Potters Bar EN6 4HD
Proposal	The erection of 3x 2 bedroom flats
Case Officer	Mr D Elmore
Name	ANDREA ALLGOOD
Address	Northaw and Cuffley Residents Association, 20 The Meadway, Cuffley, EN6 4ES
Type of Comment	Objection
Type	Neighbour
Comments	The Residents Association has previously raised concerns about this development.. The additional storey and balconies now proposed would result in overlooking and loss of privacy to the bungalows on Theobalds Road. The design of the property is completely out of character with the area and particularly the 4 nearby existing blocks of flats. It would appear that building work is well advanced although planning permission has not yet been given for the new design,
