<b>Comments</b>	<p>This is not a viable housing option allowing for the fact it is sited on a very busy 3way junction a well known local black spot for accidents . The schools within the area are not available apart from Cuffley school 5-11 years then it becomes a long trek which will result in more vehicles on the road at the rush hour. the public transport service has been reduced if we are lucky 6 buses a day may pass through cuffley.Cuffley and crewes shortage of pedestrian foot paths.</p>
