Application Number	6/2019/0455/FULL
Location	151 Campion Road Hatfield AL10 9FL
Proposal	Change of use from class C3 dwelling house to class C4 HMO
Case Officer	Mr William Myers
Organisation Type of Comment	Support
Туре	neighbour
Comments	We have spoken to our neighbours to reassure them that this will NOT be a student HMO and this application will not affect their current standard of living in any way. We have owned this property and feel that our efforts have improved the area and will continue to do so. We will only be renting rooms to very carefully selected professionals due to the fact members of our own family will still be living in the premises and we will personally be managing the up keep of the property. We will be easily contactable and promise to deal with any problems as a matter of urgency. It's very important to us as long term and continued residents of Hatfield that improvements regarding HMO's in the closer proximity and near by Salisbury Village are addressed now and in the future and a new higher standard of this type of living is achieved.
