Comments	Surely this does not comply with any 'special circumstances' required by legislation to use Green Belt land?It is stand alone with potential high impact and unconnected to existing settlement. There are no schools,shops , health facilities,meaningful jobs or public transport which would add to significant car and delivery vehicle trips already going through Northaw and do nothing for the Council's recently announced pollution targets. It would also damage local wildlife by removing habitat.Can you please protect the Green Belt?
