## Comment for planning application 6/2019/2313/FULL

Proposal	Erection of six dwellings following demolition of existing buildings
Case Officer	Mr David Elmore
Organisation Type of Comment	Objection

I wish to object to this proposal as it would be out of character with the rest of the village. To cram six houses onto this plot would look ugly and devalue the houses in the area. It would also be overbearing to the neighbours at 97 and deprive them of light, and the additional noise that would be inevitable with so many people on one plot, would, I'm sure, be very unwelcome. The additional driveways in Golf Club Road would be a danger to children walking to Chancellor's school along this road twice a day. It would also increase the

amount of road traffic at an already busy junction. There are not many unspoilt villages left in the area. Please don't help to spoil this one.
