Comments	We are very much against the plan put forward for extra housing. We live at 11 Colesdale, Cuffley EN6 4LQ. We bought the house because it faces and is next to greenbelt land which we think is important to preserve as such for us and for future generations to come. Northaw and Cuffley are already stretched out for services such as GPs, dentists, schools, shopping facilities. Parking is very restricted and the main roads are extremely busy with constant traffic. Any extra intrusion on these services and infrastructure would create a very unpleasant situation and make our villages into an uncomfortable place to live.
