Proposal	Erection of part single part two storey rear extension
Case Officer	Ms Lucy Hale

Organisation
Address 23 Manor Road Hatfield AL10 9L1

**Type** neighbour

Objection

The proposed extension would have a detrimental effect on sunlight / daylight to both the windows of the rear bedroom and the skylight in our kitchen. The latter was put in to increase daylight, due to the Northerly aspect of the rear of our property. Also the current

proposal is overbearing to our property.
