

Consultee Comment for planning application 6/2016/1068/FULL

| | |
|--------------------|---|
| Application Number | 6/2016/1068/FULL |
| Location | Barham Court, 80 Station Road, Cuffley, Potters Bar, EN6 4HY |
| Proposal | Addition of use A3 to the Commercial Unit to ground floor. This application is in relation to the commercial unit which is currently under construction. The original planning reference for the site is S6/2014/0243/MA |
| Case Officer | Mrs J Pagdin |
| Name | Jason Grocock |
| Address | Jason Grocock |
| Type of Comment | Object |
| Type | |
| Comments | We do not support A3 development. We object because: - There are already many food outlets in Cuffley. There is a need to maintain a mixed retail offer in the village - Ref, Parish emerging Local Plan. Car parking is inadequate and the local area is subject to car parking restrictions. There would be late night noise and disturbance detracting from the residential amenity of the surrounding properties. |
