Comments	<p>Thank you for consulting The Gardens Trust, of which HGT is a member. This property lies within the Locally Listed Northaw Place historic parkland and is part of the setting for the Grade II* listed mansion, with views east/west across the parkland between the two properties and within the Green Belt and Northaw Conservation Area.. We consider that the proposed extensions are not appropriate for this site, where the original building has already been much extended, losing its historic footprint, but if permission is given then further screening from the rest of the parkland should be planted.</p>
