Comments	24/10/2023 - Lorraine Davis - As a replacement dwelling, there will be no additional impact on the existing refuse & recycling services. The property could be incorporated on the existing ARRC scheme and would receive a set of 2 bins for refuse & recycling FOC 1 x 180l black bin for refuse and 1 x 240l Blue lidded bin for recycling plus a food waste caddy. Bins are to be presented the boundary with the highway the evening prior to collection and retrieved again after servicing. WHBC offer a chargeable Garden Waste Service at a cost of ? 50.00 per annum. If required, the customer would need to contact WHBC and subscribe for the service and would receive a Brown bin for the garden waste service
