Case Officer	<input type="text" value="Mr David Elmore"/>
Organisation	<input type="text" value="WHBC - Client Services"/>
Name	<input type="text" value="Lorraine Davis"/>
Address	<input type="text" value="Client Services The Campus Welwyn Garden City AL8 6AE"/>
Type of Comment	<input type="text" value="ConditionalResponse"/>
Type	<input type="text"/>
Comments	<p>22/10/2019 - Lorraine Davis The properties could be incorporated on the existing ARRC scheme and would receive a set of 2 bins for refuse & recycling FOC 1 x 180l black bin for refuse and 1 x 240l Blue lidded bin for recycling. Bins are to be presented the boundary with the highway the evening prior to collection and retrieved again after servicing. WHBC offer a chargeable Garden Waste Service at a cost of ?35.00 per annum. If required, the customer would need to contact WHBC and subscribe for the service and would receive a Brown bin for the garden waste service. **My only concern here is that as the residents will be required to present their bins to the boundary with the public highway the evening prior to collection this is a max drag distance of in excess of 80m for the furthest property and this will mean that on recycling days there will be the six bins belonging to the properties up this access lane in addition to the 6 bins of the houses that front onto Brookmans Avenue **</p>
