| Proposal | Installation of a platform and service room, with trenched cable linkage between data room and platform and other associated works |
| Case Officer | Mr Mark Peacock |
| Organisation | North Mymms Parish Council |
| Name | Christine Wootton |
| Address | Clerk 1a Bushwood Close Welham Green AL9 7YZ |
| Type of Comment | Comment |
| Type | |
| Comments | <p>This is a Green Belt site and whilst the proposal is to the rear of the site and will be screened, it is still a large structure which will be functional rather than aesthetic. North Mymms Parish Council understand the need for satellite communications and the proposal could be mitigated with enhanced planting of trees around both the location of the platform and particularly to the south and south-west of the site adjacent to the A1000 for screening, privacy and as a quid pro quo for the erection of an unsightly unit. At the end of the life of the unit, the land should be reinstated as open Green Belt. As an open platform and it will have to be well-lit for access, NMPC request that all lighting should be downward facing to reduce light pollution. Also, the colour of the structure should be changed to green rather than grey in this rural setting.</p> |
