NMPC have concerns given the history of this site with previous filming and the traffic issues it caused and would recommend the hours of working/parking is reduced to 08.00 hours-18.00 hours and there should be no obstruction of the highway. As recommended by HCC Highways provision of traffic marshalls should be a Condition. Vehicles on the highway should be parked in a spaced manner so that traffic can pass. No lighting should be within 2 metres of the boundary/highway and never be directed towards the road."/>
