Comments	<p>Thank you for consulting The Gardens Trust, of which HGT is a member. Bedwell Park is listed heritage asset, being on the Register of Historic Parks and Gardens). London Lodge is a key marker of its significance at the main entrance. We do not have any comments on the proposed extension, providing that the current shrub and tree screening is maintained or enhanced, to screen it from parkland views. We are, however, concerned about the driveway shown in Drawing 1714/PL11 (Proposed Ground Floor Plan) of resin-bonded gravel with a modern style fence/gate. This unduly modern intrusion would cause harm to the views across the Registered parkland and to the listed London Lodge, unless sufficient screening is included to shield these views.</p>
