Comments	<input type="text" value="Thank you for consulting the Gardens Trust of which HGT is a member.. We commented on application 6/2020/2047/HOUSE for an extension to this property. The current application includes a much larger roof extension and dormers than the previous one. We do not consider that this would cause unacceptable harm to the landscape although it would affect the present modest appearance of the house, which reflects its place in the hierarchy of buildings at Camfield Place."/>
