Application No: 6/2017/2062/HOUSE

Date of Refusal: 9 November 2017

WELWYN HATFIELD BOROUGH COUNCIL, in pursuance of powers under the above mentioned Act, hereby REFUSE to permit: -

Development: Enlargement of current rear window, installation of rear bi-fold doors and replacement doors and windows to right hand side elevation

At Location: 11 Fore Street Hatfield AL9 5AN

Applicant: Mr & Mrs Prescott

Application Date: 15 September 2017

In accordance with the accompanying plans and particulars, for the reasons specified below: -

1. The proposed development would materially harm the special character of the Listed Building. The removal of the existing arched window and French doors to the ground floor level and their replacement with timber bi-fold doors would erode the legibility and balance of the fenestration pattern to the rear elevation, which would dilute the buildings architectural interest. In addition, the proposed bi-fold doors would not in keeping with the character of the listed building.

Furthermore, the design and detailing of the proposed replacement windows would considerably alter the appearance of the relevant elevations due to the change to the glazing bars, and therefore are considered out of keeping with the character of the listed building.

It is therefore considered that the proposed works would cause harm to the significance of the listed building.

It is not considered that sufficient information has been provided in regards to any public benefits from this proposal which would outweigh the harm of the proposed development on the character and significance of this designated heritage asset.

The proposal would be contrary to the provisions of the National Planning Policy Framework 2012, and Policy SADM 15 of the Draft Local Plan Proposed Submission 2016.

The decision has been made taking into account, where practicable and appropriate the requirements of paragraphs 186-187 of the National Planning Policy Framework and material planning considerations do not justify a decision contrary to the development plan (see Officer's report which can be viewed on the Council's website or inspected at these offices).

- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within:
 - 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.

 - a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice;

- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
