Important – Planning permission and notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee may be payable for each request to discharge conditions.

For advice on any of these matters, please contact the duty planning officer or the case officer at Welwyn Hatfield Borough Council, Campus East, The Campus, Welwyn Garden City, AL8 6AE or by email planning@welhat.gov.uk between 0900 – 1300 daily.

**Notice of Decision
Planning (Listed Buildings and Conservation
Areas) Act 1990
Planning (Listed Buildings and Conservation
Areas) Regulations 1990
Approval of Listed Building Consent**

To: Mr N Ward

Application No: 6/2017/2622/LB

Date of Approval: 9 February 2018

WELWYN HATFIELD BOROUGH COUNCIL, in pursuance of powers under the above mentioned act, hereby GRANT, subject to the development beginning not later than 5 years from the date hereof to: -

Development: External alterations including refurbishment of roof and internal alterations.

At Location: St. Ethelreda's Church Hall Church Street Hatfield AL9 5AR

Applicant: Mr N Moorhouse

Application Date: 21 November 2017

In accordance with the conditions listed below: -

1. No development shall commence until a detailed survey to show how the removal of the suspended ceiling to the entrance lobby and the removal of the internal partition walls (which form the existing kitchen and bar, between the entrance lobby and the main hall) has been carried out. This survey shall be submitted to and approved in writing by the Local Planning Authority. Subsequently the works shall not be carried out other than in accordance with the approved details.

REASON: To ensure the historic and architectural character and setting of the building is properly maintained, in accordance with the National Planning Policy Framework and SADM15 of the Draft Plan Proposed Submission 2016.

2. The brickwork, roof tile, bond, mortar, detailing, guttering, soffits and other external decorations of the approved alterations must match the existing building in relation to colour and texture.

REASON: In order to preserve and enhance the character and appearance of the Listed Building. In accordance with the National Planning Policy Framework 2012, and SADM15 of the Draft Plan Proposed Submission 2016.

3. Following the carrying out of completion of the building operations or alterations for which consent is hereby granted, all making good of the existing building shall be carried out in materials and finishes which closely match, like for like, those historic materials and finishing detailed used in the existing building or structure. If there is any doubt regarding the approach to any proposed making good, or any alternative materials are proposed, a precise specification of the materials and finishes shall be submitted to and agreed in writing by the Local

Planning Authority. Subsequently the works shall not be carried out other than in accordance with the approved details.

REASON: To ensure the historic and architectural character and setting of the building is properly maintained, in accordance with the National Planning Policy Framework and SADM15 of the Draft Plan Proposed Submission 2016.

4. No development shall take place until an Archaeological Written Scheme of Investigation has been submitted to and approved by the Local Planning Authority in writing. The scheme shall include an assessment of archaeological significance and research questions and:
 1. The programme and methodology of site investigation and recording;
 2. The programme for post investigation assessment;
 3. Provision to be made for analysis of the site investigation and recording;
 4. Provision to be made for publication and dissemination of the analysis and records of the site investigation;
 5. Provision to be made for archive deposition of the analysis and records of site investigation; and
 6. Nomination of a competent person or persons/organisation to undertake the works set out within the Archaeological Written Scheme of Investigation.

The development shall not be implemented other than in accordance with the programme of archaeological works set out in the approved Archaeological Written Scheme of Investigation.

The development shall not be occupied until the site investigation and post investigation assessment has been completed in accordance with a programme set out in the approved Written Scheme of Investigation and provision made for analysis and publication where appropriate.

REASON: To ensure that a historical record is kept of any archaeological finds due to the implementation of the development and to comply with the National Planning Policy Framework 2012 and Policy R29 of the Welwyn Hatfield District Plan 2005.

DRAWING NUMBERS

5. The development/works shall not be started and completed other than in accordance with the approved plans and details:

Plan Number	Revision Number	Details	Received Date
HHCH/103		Existing East & West Elevations	21 November 2017
HHCH/113		Proposed Radiator Details	21 November 2017
HHCH/111		Proposed Details - Kitchen	21 November 2017
HHCH/115		Proposed Lift Details	21 November 2017

HHCH/105		Proposed Sections	21 November 2017
HHCH/101		Proposed Floor Plan	21 November 2017
HHCH/110		Proposed Lobby Plan	21 November 2017
HHCH/114		Proposed Counter Details	21 November 2017
HHCH/106		Site Plan & Proposed Landscaping	21 November 2017
HHCH/102		Existing North & South Elevations	21 November 2017
HHCH/112		Proposed Stair Details	21 November 2017
HHCH/104		Existing Sections	21 November 2017
Site Location Plan		Site Location Plan	10 November 2017
HHCH/116		Proposed Reroofing Details	21 November 2017
180110-501	P1	Sustructure Plan	23 January 2018
HHCH/120		Existing plan	23 January 2018
HHCH/115		Lift details	23 January 2018

REASON: To ensure that the development is carried out in accordance with the approved plans and details.

1. **POSITIVE AND PROACTIVE STATEMENT**

The decision has been made taking into account, where practicable and appropriate the requirements of paragraphs 186-187 of the National Planning Policy Framework and material planning considerations do not justify a decision contrary to the development plan (see Officer's report which can be viewed on the Council's website or inspected at these offices).

Informative(s)

1. This permission does not convey any consent which may be required under any legislation other than the Town and Country Planning Acts. Any permission required under the Building Regulations or under any other Act, must be obtained from the relevant authority or body e.g. Fire Officer, Health and Safety Executive, Environment Agency (Water interest etc. Neither does this permission negate or override any private covenants which may affect the land.
2. The granting of this permission does not convey or imply any consent to build upon or access from any land not within the ownership of the applicant.

A handwritten signature in black ink, appearing to read "C Haigh".

Colin Haigh
Head of Planning

Planning (Listed Buildings and Conservation Areas) Act 1990

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 20 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
- If this is a decision on an application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.
- In all other cases, if you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at www.gov.uk/government/organisations/planning-inspectorate.
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by the Secretary of State.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that the owner can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter I of Part 6 of the Town and Country Planning Act 1990.

WHY HERTFORDSHIRE BUILDING CONTROL?

Hertfordshire Building Control are owned by seven local authorities in Hertfordshire. In effect, as a resident in Hertfordshire, you own Hertfordshire Building Control. Any profit we make is returned to those local authorities who reinvest it into our communities, which you as a resident will benefit from. Therefore, by using our services you benefit from our experienced and knowledgeable team of surveyors, and also from the investment made in the community by Local Authorities.

Being accountable to the public in this way means that we will not be compromised by people or organisations; and when things go wrong - for example buildings becoming dangerous as a result of poor building practices and improper inspections - we are the people who are called in to ensure that the area is made safe and further losses minimised.

Uses Hertfordshire Building Control early on in your project to **prevent** such occurrences rather than having us being called in to **cure** them.

WHAT HERTFORDSHIRE BUILDING CONTROL OFFERS:

- A truly independent service working on behalf of the property owner and accountable to the residents of Hertfordshire.
- Surveyors with the skills and experience to lead the compliance process ensuring that your property meets the standards required by Building Regulations
- A team, with the capacity to provide a responsive service, ensuring that your project will be inspected when it needs to be and will not be held up.
- The technology to increase surveyor time on site and improve our service to our customers;
- A one stop shop for all related activities including air testing, acoustic testing, engineering and SAP calculations and warranties;
- A company that returns 100% of its profits back to Local Authorities for investment in the community.

NEXT STEPS

Contact us as early as possible to make sure we can help you through the process. If you are sure about the type of building application you need to make, you can download the forms online at www.hertfordshirebc.co.uk

If you have any concerns or questions then please call us on **020 8207 7456** or email buildingcontrol@hertfordshirebc.co.uk

HERTFORDSHIRE BUILDING CONTROL

PROTECTING YOUR INTERESTS BY
ENSURING QUALITY BUILDINGS

020 8207 7456
www.hertfordshirebc.co.uk

WHAT IS BUILDING CONTROL?

Building Control ensures that architects, builders and other professionals in the construction industry adhere to the Building Regulations when designing and building structures. The Building Regulations set the standards for the design and construction of buildings to ensure that they are safe, accessible and energy efficient.

DOES MY PROJECT NEED BUILDING CONTROL APPROVAL?

Projects that involve extensions, structural changes, loft or garage conversions, or changes to electrical wiring will - in the vast majority of cases - need Building Control certification. It is a legal requirement.

To check whether your project requires building control approval please call one of our qualified surveyors on **020 8207 7456** who will be happy to advise you. Or contact us at the following email address buildingcontrol@herfordshirebc.co.uk. Alternatively, there is a lot of useful advice contained on our website: www.herfordshirebc.co.uk.

WHY DO I NEED BUILDING CONTROL?

There is a legal requirement that work carried out on buildings including alterations, extensions and garage and loft conversions are inspected and certified by an authorised Building Control body. Building Control protects the interests of the property owner ensuring that architects and builders adhere to the standards required in the Building Regulations. Sadly, there are a number of rogue operators who will cut corners to save themselves money and in doing so cause buildings to be unsafe, difficult to access or exit, and energy inefficient. The building control surveyor is there to ensure that standards are adhered to and to certify the work carried out. This is not only important for you when living in your property but also when you come to sell it, as it could delay or prevent a sale if the appropriate certification has not been completed.

IS THIS DIFFERENT FROM PLANNING?

Building Control is separate from planning which deals with the appearance of buildings and how they fit into their environment. Your project may also need planning consent, which is a different process.

You may be receiving this advice note because you have submitted plans to your Local Authority planning department; if not you will need to contact them to discuss planning requirements. Links to contact Local Authority Planning departments are on our website.

WHAT DO BUILDING CONTROL SURVEYORS DO?

Building Control Surveyors work on behalf of the property owner and with architects, builders and other construction professionals to lead the compliance process, certifying that buildings conform to Building Regulations. The mission of Herfordshire Building Control is to ensure quality buildings and add value for our customers and communities by leading the compliance process. Essentially the surveyor protects the interests of the property owner and should therefore be independent of the architect and/or builder. Make sure that it is you and not your builder or architect who selects your Building Control provider, or that you have carried out the necessary due diligence.
