## **Important – Planning permission and notices of consent**

### **Compliance with conditions**

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee may be payable for each request to discharge conditions.

For advice on any of these matters, please contact the duty planning officer or the case officer at Welwyn Hatfield Borough Council, Campus East, The Campus, Welwyn Garden City, AL8 6AE or by email [planning@welhat.gov.uk](mailto:planning@welhat.gov.uk) between 0900 – 1100 daily.

**Notice of Decision  
Town and Country Planning Act 1990  
Town and Country Planning (Development  
Management Procedure) (England) Order 2015  
Approval of Permission for Development**

To: Mr Domenico Padalino

**Application No:** 6/2018/2170/FULL

**Date of Approval:** 11 December 2018

**WELWYN HATFIELD BOROUGH COUNCIL, in pursuance of powers under the above mentioned act, hereby GRANT, subject to the development beginning not later than 3 years from the date hereof to: -**

**Development:** Erection of third flat on the airspace of 2x existing flats.

**At Location:** Garages and Land adjacent to flats 37-48 Lambs Close Cuffley EN6 4HD

**Applicant:** Ludgate Property Developments Ltd

**Application Date:** 21 August 2018

**This planning permission is subject to a Section 106 agreement.**

In accordance with the conditions listed below: -

1. No development above the first floor of the building shall take place until samples of the materials to be used in the construction of the external surfaces of the building hereby granted have been submitted to and approved in writing by the Local Planning Authority. The development shall be implemented using the approved materials and subsequently, the approved materials shall not be changed.

REASON: To ensure a satisfactory standard of development in the interests of visual amenity in accordance with the National Planning Policy Framework 2018 and Policies D1 and D2 of the Welwyn Hatfield District Plan 2005.

2. No development above the first floor of the building shall take place until a scheme to protect the development (residential flats) from railway noise has been submitted to and approved in writing by the Local Planning Authority. The scheme shall be completed in accordance with the approved details before any part of the accommodation hereby approved is occupied and maintained thereafter. The scheme shall ensure the indoor ambient noise levels in living rooms and bedrooms meet the standards in BS 8233:2014. Any associated mechanical ventilation shall meet the requirements of the Noise Regulations 1975 (amended 1988).

REASON: To protect the occupants of the development from noise disturbance in accordance with Policies D1 and R19 of the Welwyn Hatfield District Plan 2005.

PRIOR TO OCCUPATION

3. The area set aside for 24 car parking spaces shall be laid out, surfaced and marked out, in accordance with Drawing No 1139-301/RevB, before the building hereby permitted are first occupied. Three spaces shall be retained permanently thereafter for the free parking of vehicles for residents/occupiers of the development hereby permitted and 21 spaces shall be permanently retained for residents of Blocks A, B, C and D Lambs Close and shall not be used for any other purpose.

REASON: To ensure that the spaces are provided prior to the occupation of the units in the interests of highway safety in accordance with the National Planning Policy Framework.

4. Prior to occupation of the dwelling on the second floor hereby approved, the specification of the refuse bins and recycling materials storage bins shall be submitted to and approved in writing by the Local Planning Authority. Subsequently the refuse and recycling materials storage bins areas shall be equipped and made available for use prior to first occupation and retained in that form thereafter.

REASON: To ensure a satisfactory standard of refuse and recycling provision and to protect the residential amenity of adjoining and future occupiers in accordance with Policies IM2, R5 and D1 of the Welwyn Hatfield District Plan 2005.

#### POST DEVELOPMENT COMMENCING

5. All landscaping must be carried out in accordance with the approved Landscape Scheme Drawing No 1139-301/b, submitted to the Council on 7th December 2016 and approved on the 23 February 2017 under application ref 6/2016/2031/COND. Any plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased must be replaced in the next planting season with others of similar size and species. All landscape works shall be carried out in accordance with the guidance contained in British Standards 8545: 2014.

REASON: To ensure proper implementation of the agreed landscape details in the interest of the amenity value of the development in accordance with Policies GBSP2, D2 and D8 of the Welwyn Hatfield District Plan 2005.

6. The windows to the stairs and landings of the proposed building shall be glazed with obscured glass and shall be fixed so as to be incapable of being opened below a height of 1.8 metres above the internal floor level, and shall be retained in that form thereafter.

REASON: To protect the residential amenity of adjoining occupiers in accordance with Policy D1 of the Welwyn Hatfield District Plan 2005.

7. All windows within the southern elevation of the building, with the exception of the second floor window which is shown to serve a kitchen within drawing 1139-304 RevB, shall be glazed with obscured glass and shall be fixed so as to be incapable of being opened below a height of 1.8 metres above the internal floor level, and shall be retained in that form thereafter.

REASON: To protect the residential amenity of adjoining occupiers in accordance with Policy D1 of the Welwyn Hatfield District Plan 2005.

#### DRAWING NUMBERS

8. The development/works shall not be started and completed other than in accordance with the approved plans and details:

#### 1. POSITIVE AND PROACTIVE STATEMENT

The decision has been made taking into account, where practicable and appropriate the requirements of paragraph 38 of the National Planning Policy Framework and material planning considerations do not justify a decision contrary to the development plan (see Officer's report which can be viewed on the Council's website or inspected at these offices).

#### **Informative(s)**

1. This permission does not convey any consent which may be required under any legislation other than the Town and Country Planning Acts. Any permission

required under the Building Regulations or under any other Act, must be obtained from the relevant authority or body e.g. Fire Officer, Health and Safety Executive, Environment Agency (Water interest etc. Neither does this permission negate or override any private covenants which may affect the land.

2. Any damage to the grass verges caused by the development/works hereby approved is the responsibility of the applicant and must be re-instated to their original condition, within one month of the completion of the development/works. If damage to the verges are not repaired then the Council and/or Highway Authority will take appropriate enforcement action to remedy any harm caused.

## **Town and Country Planning Act 1990**

### Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of The Town and Country Planning Act.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or 12 weeks in the case of a householder appeal of the date of this notice, whichever period expires earlier. •
- As this is a decision to refuse permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice;
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at [www.gov.uk/government/organisations/planning-inspectorate](http://www.gov.uk/government/organisations/planning-inspectorate).
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by the Secretary of State.

### Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that the owner can neither put the land to a reasonably beneficial use in its existing state nor render

the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter I of Part 6 of the Town and Country Planning Act 1990.

## WHY HERTFORDSHIRE BUILDING CONTROL?

Hertfordshire Building Control are owned by seven local authorities in Hertfordshire. In effect, as a resident in Hertfordshire, you own Hertfordshire Building Control. Any profit we make is returned to those local authorities who reinvest it into our communities, which you as a resident will benefit from. Therefore, by using our services you benefit from our experienced and knowledgeable team of surveyors, and also from the investment made in the community by Local Authorities.

Being accountable to the public in this way means that we will not be compromised by people or organisations, and when things go wrong - for example buildings becoming dangerous as a result of poor building practices and improper inspections - we are the people who are called in to ensure that the area is made safe and further losses minimised.

Use Hertfordshire Building Control early on in your project to **prevent** such occurrences rather than having us being called in to **cure** them.

## WHAT HERTFORDSHIRE BUILDING CONTROL OFFERS:

- A truly independent service working on behalf of the property owner and accountable to the residents of Hertfordshire;
- Surveyors with the skills and experience to lead the compliance process ensuring that your property meets the standards required by Building Regulations
- A team with the capacity to provide a responsive service, ensuring that your project will be inspected when it needs to be and will not be held up.
- The technology to increase surveyor time on site and improve our service to our customers;
- A one stop shop for all related activities including air testing, acoustic testing, engineering and SAP calculations and warranties;
- A company that returns 100% of its profits back to Local Authorities for investment in the community.

HERTFORDSHIRE  
BUILDING CONTROL

### WHAT IS BUILDING CONTROL?

Building Control ensures that architects, builders and other professionals in the construction industry adhere to the Building Regulations when designing and building structures. The Building Regulations set the standards for the design and construction of buildings to ensure that they are safe, accessible and energy efficient.

### DOES MY PROJECT NEED BUILDING CONTROL APPROVAL?

Projects that involve extensions, structural changes, loft or garage conversions or changes to electrical wiring will - in the vast majority of cases - need Building Control certification. It is a legal requirement.

To check whether your project requires building control approval please call one of our qualified surveyors on **020 8207 7456** who will be happy to advise you. Or contact us at the following email address [buildingcontrol@hartfordshirebc.co.uk](mailto:buildingcontrol@hartfordshirebc.co.uk). Alternatively, there is a lot of useful advice contained on our website: [www.hartfordshirebc.co.uk](http://www.hartfordshirebc.co.uk).

### WHY DO I NEED BUILDING CONTROL?

There is a legal requirement that work carried out on buildings including alterations, extensions and loft conversions are inspected and certified by an authorised Building Control body. Building Control protects the interests of the property owner ensuring that architects and builders adhere to the standards required in the Building Regulations. Sadly, there are a number of rogue operators who will cut corners to save themselves money and in doing so cause buildings to be unsafe, difficult to access or exit, and energy inefficient. The building control surveyor is there to ensure that standards are adhered to and to certify the work carried out. This is not only important for you when living in your property but also when you come to sell it, as it could delay or prevent a sale if the appropriate certification has not been completed.

### IS THIS DIFFERENT FROM PLANNING?

Building Control is separate from planning which deals with the appearance of buildings and how they fit into their environment. Your project may also need planning consent, which is a different process.

You may be receiving this advice note because you have submitted plans to your Local Authority planning department; if not you will need to contact them to discuss planning requirements. Links to contact Local Authority Planning departments are on our website.

### WHAT DO BUILDING CONTROL SURVEYORS DO?

Building Control Surveyors work on behalf of the property owner and with architects, builders and other construction professionals to lead the compliance process, certifying that buildings conform to Building Regulations. The mission of Hertfordshire Building Control is to ensure quality buildings and add value for our customers and communities by leading the compliance process. Essentially the surveyor protects the interests of the property owner and should therefore be independent of the architect and/or builder. Make sure that it is you and not your builder or architect who selects your Building Control provider, or that you have carried out the necessary due diligence.
