Important – Planning permission and notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee may be payable for each request to discharge conditions.

For advice on any of these matters, please contact the duty planning officer or the case officer at Welwyn Hatfield Borough Council, Campus East, The Campus, Welwyn Garden City, AL8 6AE or by email planning@welhat.gov.uk between 0900 – 1100 daily.

**Notice of Decision
Town and Country Planning Act 1990
Town and Country Planning (Development
Management Procedure) (England) Order 2015**

To: Mr A Cox

Application No: 6/2020/0592/VAR

Date of Approval: 29 April 2020

WELWYN HATFIELD BOROUGH COUNCIL, in pursuance of powers under the above mentioned act, hereby GRANT, subject to the development beginning not later than 3 years from the date within the original permission to which this application varies: -

Development: Variation of condition 10 (approved plans) on planning permission 6/2019/2313/FULL

At Location: 101 Brookmans Avenue, Brookmans Park, AL9 7QG

Applicant: Mr McGregor

Application Date: 2 March 2020

In accordance with the conditions listed below: -

1. Notwithstanding submitted drawing number: 1903-GUA-DR-L-002 Rev P01, relating to Ecological Enhancements, prior to first occupation of the development hereby approved an amended external lighting scheme must be submitted to and approved in writing by the Local Planning Authority to demonstrate that impact on wildlife and habitats would be minimised.

The external lighting scheme must include: the quantity, type and nature of lighting; the extent to which the lights will illuminate hedges, bushes, flowerbeds, and trees, and impact on such vegetation.

The development must be carried out in accordance with the approved external lighting scheme.

REASON: To minimise impact on biodiversity in accordance with Policy R11 of the Welwyn Hatfield District Plan 2005; Policy SADM16 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016; and the National Planning Policy Framework 2019.

2. Prior to first occupation of the development hereby approved, visibility splays of 2.4m x 33m must be provided and permanently maintained in each direction for the accesses on Golf Club Road. There must be no obstruction to visibility between 600mm and 2m above the carriageway level.

REASON: In the interest of highways safety in accordance with Policy SADM2 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016 and the National Planning Policy Framework 2019.

3. Prior to first occupation of the development hereby approved, vehicular access must be provided and thereafter retained at the positions shown on drawing number 485018-16 Rev C. Arrangements must be made for surface water drainage to be intercepted and disposed of separately so that it does not discharge from or onto the highway carriageway.

REASON: In the interest of highways safety in accordance with Policy SADM2 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016 and the National Planning Policy Framework 2019.

4. The development hereby approved must be carried out in accordance with the Tree Protection Plan, Arboricultural Method Statement and Tree Protection Barrier Specification contained within the submitted Phase II Arboricultural Impact Assessment (by Arbol EuroConsulting, 22/02/2019).

REASON: To ensure existing trees are protected and in the interest of visual amenity in accordance with Policies D1, D2 and R17 of the Welwyn Hatfield District Plan 2005; Policies SP9 and SADM16 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016; and the National Planning Policy Framework 2019.

5. All landscaping comprised in approved drawing number: 1903-GUA-DR-L-001 Revision P05, must be carried out in the first planting and seeding seasons following the occupation of the first building, the completion of the development, or in agreed phases whichever is the sooner: and any plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased must be replaced in the next planting season with others of similar size and species. All landscape works must be carried out in accordance with the guidance contained in British Standards 8545: 2014.

REASON: To ensure proper implementation of the agreed landscape details in the interest of the amenity value of the development in accordance with Policies GBSP2, D2 and D8 of the Welwyn Hatfield District Plan 2005; Policy SP9 and SADM16 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016 and the National Planning Policy Framework 2019.

6. The Ecological Enhancement measures shown on submitted drawing number: 1903-GUA-DR-L-002 Revision P02, including: Summer bat roost boxes, bat/swift box combined, swift boxes, sparrow terraces, and hedgehog 'highways', must be installed prior to first occupation of the development hereby approved and retained permanently thereafter.

REASON: To enhance and secure measurable net gains for biodiversity in accordance with Policy R11 of the Welwyn Hatfield District Plan 2005; Policy

SADM16 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016; and the National Planning Policy Framework 2019.

7. Any upper floor window located in a wall, dormer or roof slope forming a side elevation of the dwellings hereby approved must be obscure-glazed and nonopening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed, and shall be retained in that form thereafter.

REASON: To protect the living conditions of future occupiers and neighbouring occupiers in accordance with Policy D1 of the Welwyn Hatfield District Plan 2005; Supplementary Design Guidance 2005; Policy SADM11 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016; and the National Planning Policy Framework 2019.

8. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking or reenacting that Order with or without modification), no enlargements within Classes A or B of Part 1 of Schedule 2 shall take place.

REASON: To enable the Local Planning Authority to fully consider the effects of development normally permitted by that Order in the interests of high quality design and visual amenity of the area in accordance with Policies GBSP2, D1 and D2 of the Welwyn Hatfield District Plan 2005; Policies SP9 and SADM11 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016; and the National Planning Policy Framework 2019.

DRAWING NUMBERS

9. The development/works shall not be started and completed other than in accordance with the approved plans and details:

Plan Number	Revision Number	Details	Received Date
485018-16	C	Proposed Site Plan	2 March 2020
485018-17	E	House 1 Plans and Elevations	2 March 2020
485018-23	C	Proposed Street Scenes	2 March 2020
485018-19	D	House 3 Plans and Elevations	2 March 2020
485018-18	D	House 2 Plans and Elevations	2 March 2020
1903-GUA-DR-L-001	P05	Landscape Masterplan	2 March 2020
485018-27		Crown Roof Details	27 February 2020

485018-25	A	Location Plan	11 November 2019
485018-13	A	Existing Site Plan	11 November 2019
485018-15		Existing Floor Plans	19 September 2019
485018-20		House 4 Plans and Elevations	19 September 2019
485018-21		House 5 Plans and Elevations	19 September 2019
485018-22		House 6 Plans and Elevations	19 September 2019
485018-27	A	Existing Elevations	16 October 2019

REASON: To ensure that the development is carried out in accordance with the approved plans and details.

1. **POSITIVE AND PROACTIVE STATEMENT**

The decision has been made taking into account, where practicable and appropriate the requirements of paragraph 38 of the National Planning Policy Framework and material planning considerations do not justify a decision contrary to the development plan (see Officer's report which can be viewed on the Council's website or inspected at these offices).

Informative(s)

1. This permission does not convey any consent which may be required under any legislation other than the Town and Country Planning Acts. Any permission required under the Building Regulations or under any other Act, must be obtained from the relevant authority or body e.g. Fire Officer, Health and Safety Executive, Environment Agency (water interest etc.) Neither does this permission negate or override any private covenants or legal interest (easements or wayleaves) which may affect the land.
2. The development will involve the numbering of properties and/or the naming of new streets. The applicant **MUST** contact Welwyn Hatfield Borough Council, Environmental Services (01707 357 000) before any name or number is proposed. This is a requirement of the Public Health Act 1875 and Public Health (Amendment) Act 1907.
3. Cadent have identified operational gas apparatus within the application site boundary. This may include a legal interest (easements or wayleaves) in the land which restricts activity in proximity to Cadent assets in private land. The Applicant must ensure that proposed works do not infringe on Cadent's legal rights and any details of such restrictions should be obtained from the landowner in the first instance.

If buildings or structures are proposed directly above the gas apparatus then development should only take place following a diversion of this apparatus. The Applicant should contact Cadent's Plant Protection Team at the earliest opportunity to discuss proposed diversions of apparatus to avoid any unnecessary delays.

If any construction traffic is likely to cross a Cadent pipeline then the Applicant must contact Cadent's Plant Protection Team to see if any protection measures are required.

All developers are required to contact Cadent's Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email: plantprotection@cadentgas.com Tel: 0800 688 588

Colin Haigh
Head of Planning

Town and Country Planning Act 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of The Town and Country Planning Act.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or 12 weeks in the case of a householder appeal of the date of this notice, whichever period expires earlier. •
- As this is a decision to refuse permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice;
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at www.gov.uk/government/organisations/planning-inspectorate.
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by the Secretary of State.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that the owner can neither put the land to a reasonably beneficial use in its existing state nor render

the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter I of Part 6 of the Town and Country Planning Act 1990.

WHY HERTFORDSHIRE BUILDING CONTROL?

Hertfordshire Building Control are owned by seven local authorities in Hertfordshire. In effect, as a resident in Hertfordshire, you own Hertfordshire Building Control. Any profit we make is returned to those local authorities who reinvest it into our communities, which you as a resident will benefit from. Therefore, by using our services you benefit from our experience and knowledgeable team of surveyors, and also from the investment made in the community by Local Authorities.

Being accountable to the public in this way means that we will not be compromised by people or organisations, and when things go wrong - for example buildings becoming dangerous as a result of poor building practices and improper inspections - we are the people who are called in to ensure that the area is made safe and further losses minimised.

Use Hertfordshire Building Control early on in your project to **prevent** such occurrences rather than having us being called in to **cure** them.

WHAT HERTFORDSHIRE BUILDING CONTROL OFFERS:

- A truly independent service working on behalf of the property owner and accountable to the residents of Hertfordshire.
- Surveyors with the skills and experience to lead the compliance process ensuring that your property meets the standards required by Building Regulations
- A team with the capacity to provide a responsive service, ensuring that your project will be inspected when it needs to be and will not be held up.
- The technology to increase surveyor time on site and improve our service to our customers.
- A one stop shop for all related activities including air testing, acoustic testing, engineering and SAP calculations and warranties.
- A company that returns 100% of its profits back to Local Authorities for investment in the community

NEXT STEPS

Contact us as early as possible to make sure we can help you through the process. If you are sure about the type of building application you need to make, you can download the forms online at www.hertfordshirebc.co.uk

If you have any concerns or questions then please call us on **020 8207 7456** or email buildingcontrol@hertfordshirebc.co.uk

HERTFORDSHIRE BUILDING CONTROL

PROTECTING YOUR INTERESTS BY
ENSURING QUALITY BUILDINGS

020 8207 7456
www.hertfordshirebc.co.uk

WHAT IS BUILDING CONTROL?

Building Control ensures that architects, builders and other professionals in the construction industry adhere to the Building Regulations when designing and building structures. The Building Regulations set the standards for the design and construction of buildings to ensure that they are safe, accessible and energy efficient.

DOES MY PROJECT NEED BUILDING CONTROL APPROVAL?

Projects that involve extensions, structural changes, loft or garage conversions or changes to electrical wiring will - in the vast majority of cases - need Building Control certification. It is a legal requirement!

To check whether your project requires building control approval please call one of our qualified surveyors on **020 8207 7456** who will be happy to advise you. Or contact us at the following email address buildingcontrol@hertfordshirecc.co.uk. Alternatively, there is a lot of useful advice contained on our website: www.hertfordshirecc.co.uk

WHY DO I NEED BUILDING CONTROL?

There is a legal requirement that work carried out on buildings, including alterations, extensions and loft conversions are inspected and certified by an authorised Building Control body. Building Control protects the interests of the property owner ensuring that architects and builders adhere to the standards required in the Building Regulations. Sadly, there are a number of rogue operators who will cut corners to save themselves money and in doing so cause buildings to be unsafe, difficult to access or exit, and energy inefficient. The building control surveyor is there to ensure that standards are adhered to and to certify the work carried out. This is not only important for you when living in your property but also when you come to sell it, as it could delay or prevent a sale if the appropriate certification has not been completed.

IS THIS DIFFERENT FROM PLANNING?

Building Control is separate from planning which deals with the appearance of buildings and how they fit into their environment. Your project may also need planning consent, which is a different process.

You may be receiving this advice note because you have submitted plans to your Local Authority planning department; if not you will need to contact them to discuss planning requirements. Links to contact Local Authority Planning departments are on our website.

WHAT DO BUILDING CONTROL SURVEYORS DO?

Building Control Surveyors work on behalf of the property owner and with architects, builders and other construction professionals to lead the compliance process, certifying that buildings conform to Building Regulations. The mission of Hertfordshire Building Control is to ensure quality buildings and add value for our customers and communities by leading the compliance process. Essentially the surveyor protects the interests of the property owner and should therefore be independent of the architect and/or builder. Make sure that it is you and not your builder or architect who selects your Building Control provider, or that you have carried out the necessary due diligence.
