Important – Planning permission and notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee may be payable for each request to discharge conditions.

For advice on any of these matters, please contact the duty planning officer or the case officer at Welwyn Hatfield Borough Council, Campus East, The Campus, Welwyn Garden City, AL8 6AE or by email planning@welhat.gov.uk between 0900 – 1100 daily.

Notice of Decision Town and Country Planning Act 1990 Town and Country Planning (Development Management Procedure) (England) Order 2015 Approval of Permission for Development

To: Mr Simon Turton

Application No: 6/2022/2731/FULL

Date of Approval: 22 May 2023

WELWYN HATFIELD BOROUGH COUNCIL, in pursuance of powers under the above mentioned act, hereby GRANT, subject to the development beginning not later than 3 years from the date hereof to: -

Development: Excavation of existing embankment and construction of a retaining wall, removal of a multi stemmed Ash Tree and trimming of a multi stemmed

dogwood tree

At Location: 15 Church Street Hatfield AL9 5AR

Applicant: Ambient Support

Application Date: 30 December 2022

In accordance with the conditions listed below: -

1. No development shall commence until details of a suitable replacement tree have been submitted to and approved in writing by the Local Planning Authority. Subsequently, the approved landscaping works must be carried out in the first planting season following the occupation of the development, or the completion of the development, whichever is the sooner. Any plants which within a period of five years from planting the completion of the development die, are removed, or become seriously damaged or diseased must be replaced in the next planting season with others of similar size and species. All landscape works must be carried out in accordance with the guidance contained in British Standards 8545: 2014.

REASON: A replacement tree is required in the interest of maintaining the character and amenity of the area and minimising the impact of development in terms of ecology, biodiversity and climate change in accordance with the Welwyn Hatfield District Plan 2005; the draft Local Plan Proposed Submission August 2016; and the National Planning Policy Framework.

2. The brickwork, bond, mortar and detailing of the approved wall extension must match the existing wall in relation to colour and texture.

REASON: To ensure a satisfactory standard of development in the interests of visual amenity in accordance with Policies D1 and D2 of the Welwyn Hatfield District Plan 2005 and the National Planning Policy Framework.

DRAWING NUMBERS

3. The development/works shall not be started and completed other than in accordance with the approved plans and details:

Plan Number	Revision Number	Details	Received Date
2214-P01		Block Plan: Work Locations	1 December 2022
6787-01	Α	Retaining Wall Layout & Details	1 December 2022
		Site Location Plan	30 December 2022

REASON: To ensure that the development is carried out in accordance with the approved plans and details.

1. POSITIVE AND PROACTIVE STATEMENT

The decision has been made taking into account, where practicable and appropriate the requirements of paragraph 38 of the National Planning Policy Framework and material planning considerations do not justify a decision contrary to the development plan (see Officer's report which can be viewed on the Council's website or inspected at these offices).

Informative(s)

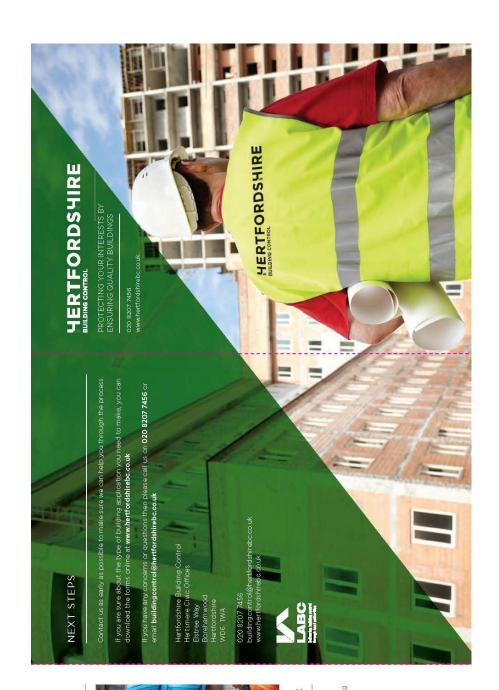

- 1. Is it believed that the ash tree (T308), which is to be removed is in joint ownership with St Etheldreda's Church Hall. The applicant is advised to contact the owners of the Church Hall prior to any works are carried out on the tree and get their agreement.
- 2. The applicant is advised to take account the provisions of The Party Wall Act 1996 insofar as the carrying out of development affecting or in close proximity to a shared boundary.

Chris Carter

Assistant Director (Planning)

Town and Country Planning Act 1990

WHY HERTFORDSHIRE BUILDING CONTROL?

knowledgeable team of surveyors, and also from the investment made in the community by Local Authorities. Hertfordshire Building Control are owned by seven local authorities in Hertfordshire. In effect, as a resident in Hertfordshire, you own Hertfordshire Building. authorities who reinvestitinto our communities, which you as a resident will benefit from. Therefore, by using our services you benefit from our experienced and Control. Any profit we make is returned to those local

Being accountable to the public in this way means that we will not be compromised by people or organisations, becoming dangerous as a result of poor building practices and improper inspections - we are the people who are called in to ensure that the area is made safe and when things go wrong - for example buildings and further losses minimised. Use Hartfordshire Building Control early on in your project to **prevent** such occurrences rather than having us being called in to **cure** them.

WHAT HERTFORDSHIRE BUILDING CONTROL OFFERS:

- A truly independent service working on behalf of the property owner and accountable to the residents of Hertfordshire;
- Surveyors with the skills and experience to lead the compliance process ensuring that your property meets the standards required by Building Regulations

 • A team with the capacity to provide a responsive service, ensuring that your
- A one stop shop for all related activities including air testing, acoustic testing, engineering and SAP calculations and warranties;
 A company that returns 100% of its profits back to Local Authorities for mineralization and investment in the community.

- project will be inspected when it needs to be and will not be held up. The technology to increase surveyor time on site and improve our service to

WHY DO I NEED BUILDING CONTROL?

There is a legal requirement that work carried out on buildings, including alterations, extensions and garage and loft conversions are inspected and certified by an authorised Building Control body, Building Control protects the innerests of the procept owner ensuring that architects and building control protects to the standards required in the Building Regulations. Sadly, there are a number of rogue operators who will cut conners to save themselves money and in doing so cause buildings to be unsafe, difficult to access or exit, and energy inefficient. The building control surveyor is there to ensure that standards are achieved to and to certify the work carried out. This is not only important for you when living in your property but: also when you come to sell it, as it could delay or prevent a sale if the appropriate certification has not been completed.

IS THIS DIFFERENT FROM PLANNING?

Building Control is separate from planning which deals with the appearance of buildings and how they fit into their environment. Your project may also need planning consent, which is a different process.

You may be receiving this advice note because you have submitted plans to your Local Authority planning department, if not you will need to confact them to discuss planning requirements. Links to confact Local Authority Planning departments are on our website.

WHAT DO BUILDING CONTROL SURVEYORS DO?

Building Control Surveyors work on behalf of the property owner and with architects, builders and other construction professionals to bed the compliance process; certifying that buildings conform to Building Regulations. The mission of Her fordshire Building Control is to ensure quality buildings and add value for our customers and communities by leading the compliance process. Essentially the surveyor protects the interests of the property owner and should therefore be independent of the architect and/or builder. Make sure that it is you and not your builder or architectations decisions building Control provider, or their you have carried out the necessary due diligence.
