Context	
Site description	159 Parkway Welwyn Garden City AL8 6JA
Relevant planning history	Planning None
Consultations	
Consultations do not apply to Trees within Conservation Area applications in accordance with the Tree Regulation Order and therefore any response cannot be considered.	
Main Issues	
Whether the tree(s) merit a Tree Preservation Order	<p>An assessment is required of the amenity value of the tree(s) and whether it/they help to preserve the character or appearance of the conservation area.</p> <p>The assessment considers the condition of the tree, its retention span, relative public visibility and other factors – such as, but not limited to, whether it is part of a group, has historical importance and, has good form.</p> <p>Cherry The trees condition and suitability is considered to be good with a remaining useful life expectancy of approximately 40-100 years. The trees overall size can be classed as medium with clear visibility to the public.</p> <p>Laurel The trees condition and suitability is considered to be good with a remaining useful life expectancy of approximately 20-40 years. The trees overall size can be classed as small with a limited visibility to the public.</p>
Conclusion	
From the above considerations, it is concluded that the tree(s) are not appropriate for a Tree Preservation Order.
