Dear Sir/Madam

Re: PLOT 5000, HATFIELD BUSINESS PARK, HATFIELD, HERTFORDSHIRE, AL10 9EZ

Waste Comments

Thames Water would recommend that petrol / oil interceptors be fitted in all car parking/washing/repair facilities. Failure to enforce the effective use of petrol / oil interceptors could result in oil-polluted discharges entering local watercourses.

Thames Water would advise that with regard to sewerage infrastructure capacity, we would not have any objection to the above planning application.

Water Comments

Yours faithfully
