Hi

Our Parish Clerk, who would normally co-ordinate all planning responses is indisposed. Rather than wait for her return please send just 2 comments that relate to the current crop of applications. We may have others in the next day or so but I thought it best to register these without delay

[REDACTED]

Application Number 6/2023/1442/PN27
41 Northaw Road East

Comments: We wish to raise a Major Objection on the grounds of: this is an application to create a 2 storey house in a row of chalet bungalows. It contravenes NP Policy D1 (e) in relation to ridge heights. It is out of character with neighbouring buildings as well as the character of the whole area.

Please let me know if you need further information

Thanks
