HCC received: 20/07/2017
Area manager: Manjinder Sehmi
Case officer: Anthony Collier

Location

Computer Centre Uk Ltd
Hatfield Avenue
Hatfield
AL10 9TW

Application type

Full application

Proposal

Erection of a pedestrian turnstile gate and associated tarmac footpath

Decision

Notice is given under article 18 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

The Site sits within the Hatfield Business Park, of which none of the associated highways direct to the site are adopted.

the access seeks to improve pedestrian accessibility by segregating vehicle and pedestrian access points, therefore removing safety concerns related to shared surfaces. the layout of the access path external to the site set out suitably, however it should be noted that the land it is to be built is not considered to have highway rights.

The internal arrangements remain acceptable, with no concerns over intervisibility raised through the proposal.

I do not consider that the development will have a negative impact to highway safety or capacity, I therefore present no objections.

Anthony Collier
