Subject: Proposed extension at rear of 3 Holme Close Hatfield AL10 9LQ reference 6/2019/0102/PN8 of 21st Jan 2019.

.
Dear Ms. Stainer,

With reference to the above proposed extension, my letter of objection with surveyor report of 21st Jan 2019.

Can I add that the room in question which will be most affected is my principal living room/kitchenette where I spend virtually all my time when at home. In addition to the issues raised in my letter and surveyor`s report, the proposed size will also stop enjoyment of my property.

Thanking you for consideration of this,

Yours Sincerely,
