WARNING: This email originated outside the WHBC Network. Please be extra vigilant when opening attachments or clicking links.

Good afternoon,

Thank you for your consultation on the above-mentioned application, I am writing in respect of planning obligations sought towards education, library and youth services to minimise the impact of development on Hertfordshire County Council Services for the local community.

Based on the information to date for the development we will not be seeking financial contributions at this point in time. Although there may be service capacity issues within this area and planning obligations towards County Council services meet the tests of CIL Reg122 we will not be pursuing them in light of the pooling restriction imposed by Reg123.

I trust the above is of assistance if you require any further information please contact me or the Growth team (growth@hertfordshire.co.uk).

Kind regards,

Christine Perkins
