Dear Sir

Ref: 6/2016/1068/full - Property Purchased: Flat 19, Barham Court, 80a Station Road, Cuffley, Herts EN6 4HY

I received an '[Application For Planning Permission](#)' on 19th October 2016, in which it details a request (allegedly) made on 29th September 2016 for a proposed **Change of Use A3** to a commercial unit at the ground floor level of the above address. The Application is was signed (and dated 29-09-16) by Mr Anthony Barham on behalf of the developers: Rialto Homes Limited.

The standard 21-day objection/representation deadline would therefore have been 19th October (!!), and I naturally request that my representations are nonetheless heard/lodged/recorded in view of (or in spite of) this.

As I understand it, this application represent change of use to a restaurant/takeaway/snack bar establishment. When I reserved the property (January 2016) and subsequently exchanged (February 2016), I was informed that the three ground floor shops below would be: Office, Florist, Hair Salon...but definitely not food-related...!!

Please advise.

With thanks and kind regards
