I [REDACTED] of 2c Plough hill cuffley EN6 4DR I have looked at the proposed plans my biggest concern is the relocation of the bus stop. I strongly oppose to the bus stop being relocated to the front of my house due to the devaluation of my property as well as a lack of privacy. I think this will be to near to the corner of the road and will be near to the entrance of the church. please if you can reconsider this. I would also like to know how high the drive is going to be as there are no exacted measurements for this On the plans . Thank you

Kind regards
