Subject: 6/2018/3182/FULL - 12 Harpsfield Broadway

Good morning Will,

Further to our telephone conversation, I can confirm that my consultation response was completed with assessing the impact in terms of a restaurant use and not that of a drinking establishment.

It is felt that a drinking establishment would have a greater potential for an impact on amenity and we would therefore want to see a full noise impact assessment.

Kind regards,

Karl Riahi
