Dear Ms Gooding-Williams

We deeply regret to hear that this planning application has been brought forward again. We hope that this time it is rejected forthwith as this is attached to green belt farming land and would be the start of the encroachment of a major development. Please ask the Planning Officers to protect our farming and green belt land at all costs – we can see with this Ukraine v Russia war how we need to be self sufficient and grow our own crops and food. Once land is lost to housing it cannot be regained and so is very precious indeed.

Please could you pass on our worries to Mr Mark Peacock and Mr Chris Carter.

Yours sincerely,

[REDACTED]
