Subject: RE: 6/2023/2136/COND- Car Park, Salisbury Square, Hatfield

Hi Ashley,

I hope all is well with you.

The proposed Arboricultural Method Statement is in accordance with BS: 5837:2012 and is appropriate and sufficient to protect the retained trees. The information provide is sufficient to discharge condition 4.

I note that there are several trees being removed. Is there a condition for the proposed landscaping or has this been approved already?

Kind regards,

Olly
