Subject: Application reference 6/2020/1702/house

Dear Sir,

It has just come to my notice via a neighbour that a request has been made for an extension to be built at 3 Buttercup Close. I have looked at the plans and I fear this will greatly affect the light coming into my kitchen and garden and must strongly object to this proposal. It also will affect my front garden as apparently changes are requested to alter the front drive which is also attached to my house. I have not even received any communication from anyone regarding this application which I think is totally unacceptable. I would be grateful for an early response.

Yours faithfully,

69 Campion Road  
Hatfield  
AL10 9FA
