

Design & Access Statement
for
proposed works to:

**KFC Restaurant
Comet Way
Hatfield
Herts
AX10 0XR**

Overview:

The proposal is to refurbish this trading restaurant internally and externally.

Design Statement:

The design is prompted by the refurbishment proposals for this existing trading restaurant.

Access:

The entrance door will be finished in contrasting grey and new entrance matting will allow for the free movement of wheelchairs.
Disabled toilet facilities exist but new fittings throughout are proposed.
A new counter is proposed with a uniform height, this approach is clarified in the KFC DDA policy statement.

Externally dedicated and signed parking bays are available, with drop kerbs, adjacent to the main entrance.

KFC are fully aware of their duties under the DDA and have arrangements in place, detailed in their DDA policy statement, to attend to the requirements of their employees.
