Comments	<input "="" type="text" value="Thank you for consulting The Gardens Trust, of which HGT is a member. The Lodge lies within the Locally Listed Northaw Place historic landscape and within the setting of the Grade II* mansion, and within the Green Belt. We have not seen the personal statement submitted as part of the justification for development within the Green Belt or the setting of the listed mansion and within the park, contrary to the NPPF and the planning policies of WHBC. We consider any further development within this historic park to be inappropriate, and would require substantial justification for permission to be granted,"/>
