Dear Sir,

**RE: PREMIER INN EXTENSION, WELWYN, AL8 6DQ – GAS MEMBRANE VALIDATION SIGN OFF REPORT**

Further to our commission for the inspection, testing and validation of the gas resistant membrane installed to the above project, we now have pleasure in presenting you with our Final Sign Off Validation Report for the gas protection measures included in the design.

This document should now be forwarded to the local authority/project stakeholders for review and acceptance for signing off of the planning conditions pertaining to ground gas contamination.

May we take this opportunity in thanking you for considering MTS Ltd in this instance and we look forward to working with your company in the future.

We trust the above and attached are of assistance and interest however, should you have any queries please do not hesitate in contacting us.

Yours Faithfully,  
Membrane Testing Solutions Ltd
