Dear Mr Peacock

I understand that you are dealing with the planning application referred to above for Blue Moon Paddock , Woodfield lane. I have viewed the proposals as published on the council's website online portal and write to advise that I am in support of this application.

The Proposed dwelling is sympathetic in its design and will be discreet within its setting.

The associated benefits of the tree management, new tree planting and poppy field which will make a much needed fund raising opportunity for the British Legion can only be a positive thing.

As I have said, I fully support this application and feel that it is worthy of the councils full support also.

I would be grateful if you would formally record my support for the proposal and look forward to your acknowledgement.

Yours sincerely

Mrs Eleni Stavrou
