Hello

My name is [REDACTED] and I'm a resident of Aviation Avenue and would like this to be approved as soon as humanly possible to improve the awful Internet service I've had to put up with for 5 years now.

Allowing this would bring 5G to the area and increase the speeds 5 fold and improve stability issues.

I have just got myself a job with [REDACTED] which will be working from home 60-80% of the time and this would improve work and home life immensely.

Thank for your time.

Regards
