Subject: New comments for application 6/2022/2788/FULL
Date: 05 March 2023 12:51:09

New comments have been received for application 6/2022/2788/FULL at site address: 64 Walker Grove Hatfield AL10 9PL

from [REDACTED]

Address:
50 Walker Grove Hatfield AL10 9PL

Comment type:
Objection

Comments:

I strongly object to this application for the following reasons:

1. This will lead to more anti-social behaviour in an area where there is already too much of this. The

[REDACTED]

2. This will lead to more parking issues where parking restrictions are already in place. Using 52 Walker Grove for parking does not seem viable when that property will need its own parking. 52 and 64 Walker Grove properties are separate and are not next to each other, so cannot understand how and why this is being used as a car park. There are only 2 car park spaces.

3. I am concerned by the extra noise levels from making this property into Social housing. I currently work from home and require a suitable low level of noise as it currently is.

4. This will severely impact the value of my property and all properties in the local area.
