PLANNING

Dear Mr Dale

Re: Planning Portal Submission Reference PP-10260278
51 Kentish Lane, Brookmans Park, Hertfordshire, AL9 6NG

Prior to the Application coming forward, we note from correspondence received from the Agents that no Special Circumstances have been given. No indication of the duration of each activity per month is given. Would this be two or three days, or could it be all month? If so, it should be limited to, say, 5 days per month.

What prevention is there if the Event Management Plan is contravened? How quickly would any activity be stopped?

Temporary Parking Regulation Order - North Mymms Parish Council (NMPC) requests that any such parking is limited to avoid obstruction or reducing visibility for road users who may have to go around any parked cars, on the wrong side of the road.

NMPC recommend that a temporary permission be given and that any contravention will result in this being revoked.

Yours sincerely,
